

# Rape Crisis Programs in Ohio\*

\*Rape crisis programs are defined in Ohio as providing a full continuum of services, including hotlines, victim advocacy, and support services from the onset of the need for services through the completion of healing, to victims of sexual assault. Rape crisis programs in Ohio provide the following core services: 24-hour Crisis Hotline; Advocacy (Hospital/Medical Advocacy and Criminal Justice/Legal Advocacy); Community Awareness/Outreach; Crisis Intervention; Information and Referral; and Systems Coordination/Collaboration.

This map lists the counties with core rape crisis services. Note that some counties do have some rape crisis services available. To find out more about services offered in each county, [click here](#).
